THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D. C. 20505

National Intelligence Officers

5 December 1975

MEMORANDUM FOR: The Honorable Donald H. Rumsfeld
The Secretary of Defense

SUBJECT Intelligence Support for General Haig

1. As I mentioned in our conversation on 4 December, at General Haig's request we have made arrangements to provide him with certain kinds of intelligence support tailored to his particular needs and requirements. This support concentrates on current coverage of political and economic developments of interest to him, augmented by analyses and commentaries on matters or problems with strong international political overtones. It is supplementary to and in no way competitive with the support he gets through U.S. military channels on the military aspects of his responsibilities.
